About Blue Coral

Blue Coral is a China-based Halal food exporter serving importers and distributors in the Middle East and Southeast Asia. We support private-label, OEM and ODM cooperation with export-ready products and responsive commercial support.

Halal & Quality Focus

Products are supplied under Halal-focused quality management. Full product-specific Halal certificates and supporting documentation are available upon request.

Flexible Cooperation

MOQ: from 200 cartons per SKU | **Standard lead time:** 25–35 days | **OEM lead time:** 25–40 days.

Clear Commercial Terms

Payment: 30% T/T deposit and 70% balance before container loading.

Export-ready Service

From product selection and packaging adaptation to export documentation and logistics coordination, Blue Coral helps streamline cross-border sourcing.

Why Choose Blue Coral

Halal Market Focus

Product selection and documentation designed for Halal-sensitive export markets.

Quality Assurance

Quality checkpoints from supplier selection through shipment preparation.

OEM & ODM Options

Flexible branding, flavors, specifications and packaging for distribution partners.

One-stop Export Support

Product sourcing, export documents and logistics coordination in one workflow.

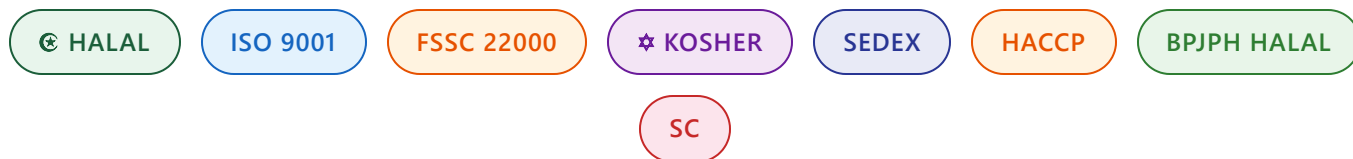

01 · Condiments & Seasonings

Our **Condiments & Seasonings** category spans a comprehensive range of Chinese condiment specialties — from century-old soy sauce breweries to modern spice-grinding experts. Every product is **Halal-certified**, produced under strict quality management systems (ISO, HACCP, FSSC22000), and exported to markets across the **Middle East, Southeast Asia, Central Asia, and beyond**. Whether you need soy sauce, hot pot bases, grinder salts, or dehydrated ingredients, this category offers **full OEM/ODM capability** with competitive MOQs and export-ready packaging.
